THE TEN OUTSTANDING PUBLIC RELATIONS CASE STUDIES OF THE YEAR

FREE BONUS
with PR NEWS
subscription

See how successful executives solve PR problems
you too are facing in months to come
Why each program was developed...how it was
all planned...projected goals...and actual results

* Earning economic rewards for an organization while discharging social responsibilities * Conducting a cost-effective Suggestion System that earns employee enthusiasm and pays off both employer and employees * Persuading people to change ingrained personal habits * Putting a unique public relations program to work for a succesful rescue of a troubled company * Integrating PR in a big and spectacularly successful marketing program * Earning through a nationwide youth program widespread good will * Putting Crisis Plans to work in response to real emergencies * and much more.
